Dear Parents and Guardians,

The Dr. Jeanne L. Noble GEMS Institute; often referred to as; Delta G.E.M.S (Growing and Empowering Myself Successfully); is a national initiative of Delta Sigma Theta Sorority, Inc. The Middletown (DE) Alumnae Chapter of Delta Sigma Theta Sorority, Inc., is sponsoring this program in the MOT Area.

The primary objective of the program is to prepare young females, ages 14-18 (grades 9-12), for full participation as leaders in the 21st Century and beyond. The Delta G.E.M.S. framework is composed of five major components (Scholarship, Sisterhood, Show Me the Money, Service, and Infinitely Complete), forming a road map for college and career planning. Topics within the five major components are designed to provide interactive lessons and activities that provide opportunities for self-reflection and individual growth.

The goals of the Delta G.E.M.S. are to develop strong, confident and respectful young ladies and prepare them to take an active role in their success and society; provide tools that will enable girls to sharpen and enhance their skills to achieve high levels of academic successes; and assist girls in proper goal setting and planning.

The program will have 7 sessions on Tuesday evenings. The dates of the sessions will be:

- March 9th
- March 16th
- March 23rd
- March 30th
- April 13th
- April 20th
- April 27th

All sessions will take place via Zoom. There is also a mandatory Parent/Participant Orientation scheduled for March 2, 2021 at 6:30 p.m. also via Zoom.
